Description Hale Aina Elementary: is a vital institution in the Kapolei community, dedicated to providing quality education and a supportive environment for children and their families. Since our founding in 2001, we have been committed to nurturing the academic and personal growth of over 10,000 students. Our school offers a safe and welcoming space, where students not only receive a comprehensive education but also benefit from enrichment programs, counseling services, and family support initiatives. In the last year alone, we've helped 250 families connect with essential community resources and assisted 150 students in securing scholarships for further education. With your support, we can continue to be a pillar of strength for the families we serve.
